Product Information

PigPile – Item #915
Manufactured in Nantong, Jiangsu, China
Date: December, 2007

Testing

Date of Testing: 03/27/2009

Test Batch 09.036, Samples were analyzed for total lead in accordance with 16 CFR 1303 using a modified CPSC-CH-E1001-08 method. GC/FID analysis was carried out with seven calibrated phthalate peaks including the six regulated phthalates by the CPSC regulations using ASTM D7083

The model(s) above conform to the following consumer product safety standards:

Consumer Product Safety Improvement Act of 2008

Title I, Section 108 of the Consumer Product Safety Improvement Act of 2008 (Prohibition on sale of certain products containing specified phthalates)

Title I, Section 106 (subsection 4.3.5), of the Consumer Product Safety Improvement Act of 2008 (Mandatory toy safety standards)

Title I, Section 101 of the Consumer Product Safety Improvement Act of 2008 (Lead Content Restrictions)

This certificate is issued pursuant by the Importer of Record for the Consumer Product Safety Improvement Act of 2008, Section 14, where required. This certificate confirms that the tests reported herein have been completed for the product by a third-party laboratory under a reasonable program of testing and that the product complies with rules, bans, standards or regulations applicable to the product as listed above. This certificate accompanies the product and is also available from the contact referenced above. The information set forth herein is presented in good faith and is believed to be accurate and correct as of the date hereof and is subject to change without further notice.
